

IMPACTASSETS 50™

An Annual Showcase of Impact Investment Fund Managers

The IA 50 is not an index or investable platform and does not constitute an offering or recommend specific products. It is not a replacement for due diligence. It is an information resource to begin research on the impact investing sector.

The IA 50 Emerging Impact Manager list spotlights newer fund managers to watch that may demonstrate future potential to create meaningful impact. Criteria such as minimum track record or minimum assets under management may not be applicable.

ImpactAssets 50: A Global Landscape of Impact Investment Fund Managers

The ImpactAssets 50 (IA 50) is the first open-source, publicly published database of experienced private debt and equity impact investment fund managers.

Asset Class: Private Debt - Absolute Return / Notes, Private Equity
Primary UN Sustainable Development Goal: 10 – Reduced Inequalities

- Clean Technology, Alternative Energy & Climate Change
- Sustainable Agriculture
- Diversity, Equity and Inclusion

Raven Indigenous Capital Partners was established in 2018 with three primary objectives:

1. To address the equity gap for technology-driven and enabled Indigenous entrepreneurs who have historically had access only to collateralized debt.
2. To create the world's first Indigenous-led and owned venture capital firm to decolonize the investment process and create cultural safety... [View Details](#)

REDF Impact Investing Fund

EMERGING IMPACT MANAGER

Website: <https://redf.org/what-we-do/impact-lending/>
Total Assets Under Management: Less than \$25M
Asset Class: Private Debt - Absolute Return / Notes
Primary UN Sustainable Development Goal: 8 – Decent Work & Economic Growth

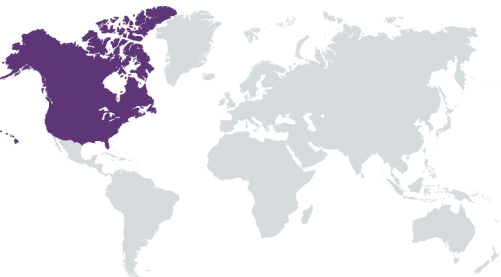

- Small/Medium Business Development
- Diversity, Equity and Inclusion

REDF began nearly 25 years ago as a venture philanthropy investing exclusively in what we call “employment social enterprises”: small businesses whose focus is to create jobs for people who face significant and often structural barriers to employment like poverty, homelessness, and involvement with the justice system. Our formula is simple: with flexible capital and curated capacity... [View Details](#)
